

Westlaw Japan

The comprehensive resource for legal research on Japanese law.

Westlaw Japan brings together Westlaw and Japan's leading legal publisher, Shinnippon-Hoki, to provide online access to Japanese cases and legislation with versioning, law books and journals by local experts, government policy information, and real-time news provided by Jiji Press.

Westlaw Japan has significant content coverage with "versioned" legislation and over 276,000 case abstracts and full-text cases. It also features legal books, journals, decisions, and news. Westlaw Japan is continually improved and expanded for attorneys and corporate legal experts, as well as academic and government constituents. Individual customers can also order a subscription to Westlaw Japan online.
